CHINA COAL ENERGY COMPANY LIMITED*

中國中煤能源股份有限公司

(a joint stock company incorporated in the People's Republic of China with limited liability)

(Stock code: 01898)

ANNOUNCEMENT ON PROFIT ALERT FOR THE FIRST THREE QUARTERS OF 2021

This announcement is made by China Coal Energy Company Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) hereby informs the Company’s shareholders and potential investors that based on preliminary estimates of the unaudited consolidated management accounts of the Group in accordance with International Accounting Standard 34, the profit attributable to equity holders of the Company for the nine months ended 30 September 2021 is expected to range from RMB12.530 billion to RMB13.850 billion (the same period of 2020: RMB4.323 billion), representing a year-on-year increase of 189.8% to 220.3%.

The Board considers that the expected increase in profit for the nine months ended 30 September 2021 is due to the facts that: from January to September 2021, the substantial increase in sales prices of main products, the Group's full efforts to promote production and sales to safeguard energy supply and scientific cost control, and the increase in the profit attributable to the associates and joint ventures of the Group led to a significant year-on-year increase in the Group’s financial results.

The information in this announcement is based on preliminary estimates by the management of the Company with reference to the consolidated management accounts of the Group in accordance with International Accounting Standard 34 and has not been audited by auditors. Detailed accurate financial statistics will be disclosed in the Company’s 2021 third quarterly report to be published before the end of October 2021.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
